## **Sage-Grouse Permits Available - June 11 - 15, 2012**

Because of the timing in publishing the upland game guide book and the date sage-grouse permits are available we are sending this notice. Remember that if you are interested in hunting upland game with a falcon, you must obtain a hunting or combination license.

- Falconers may obtain a two-bird sage-grouse permit at any Division office from June 11 – 15, 2012. Permits are available on a first-come, first-served basis.
- Falconers may obtain one additional two-bird sage-grouse permit beginning August 9, 2012, if any sage-grouse permits are still available on that date.

Complete information regarding upland game hunting will be available on-line no later than Monday, June 18, 2012.
