

New and Changed Cooperative Wildlife Management Unit (CWMU)  
Recommendations 2011

- Program Coordinator: Boyde Blackwell, (801)538-4776 or [boydeblackwell@utah.gov](mailto:boydeblackwell@utah.gov)
- The CWMU program is governed by R657-37 all Division recommendations are based in this rule
- A CWMU must submit a new application/management plan for approval if
  - They did not have a COR the previous year
  - Expiration of an application/management plan
  - Change in boundary from the previous year
- A CWMU must submit a change to a three year application/management plan if
  - Change permit numbers or allocation
  - Season dates
  - Operator or
  - Any other matter related to the management and operation of a CWMU
- The Division is recommending approval of 14 application/management plans
  - Four brand new
  - Ten boundary changes
  - Ten CWMU's have requested changes to their COR's
  - One CWMU has dropped out of the program for 2011 season
- There are no split recommendations for 2011
