

**NOTICE OF EMERGENCY CHANGES  
TO THE UTAH FISHING PROCLAMATION  
OF THE WILDLIFE BOARD FOR THE TAKING  
OF FISH AND CRAYFISH 2014**

I, Greg Sheehan, by authority granted in Section 23-14-8 of the Wildlife Resources code of Utah declare and emergency amendment to the 2014 Utah Fishing Proclamation. The following has been amended:

**PIUTE RESERVOIR (Piute County):**

- INCREASE the daily bag and possession limit for trout from four (4) trout to eight (8) trout.

Piute Reservoir will be drained this fall for irrigation needs. Additionally, the Utah Division of Wildlife Resources will treat the remaining water to remove unwanted fish in preparation for restocking. Low water levels and treatment at the lake will result in the loss of trout.

This change is effective August 1, 2014 and will remain in effect until January 1, 2015.
