## WHAT'S NEW?

**New definition of youth:** The Utah Wildlife Board has approved a standardized definition of youth for all big game hunts. You will be considered a youth if you are 17 years old or younger on July 31, 2014. For more information, see page 14.

**New mentoring program for youth:** In 2013, the Utah Legislature passed a new law that allows hunters to share their big game permits with their children, stepchildren, grandchildren and legal wards—and with terminally ill youth—while mentoring them in the field. For details, see the article on page 23.

**Archery hunting in waterfowl management areas:** Starting in 2014, you may use archery equipment to hunt big game on the following waterfowl management areas: Bicknell Bottoms, Browns Park, Clear Lake, Desert Lake, Locomotive Springs and Redmond.

**New options for the any-weapon hunts:** If you have a permit to hunt big game with any legal weapon, you may now use a crossbow, a draw lock or a muzzleloader with a magnifying scope. For details, see the *2014 Utah Big Game Field Regulations* guidebook that will be available in May 2014.

**Changes to the Dedicated Hunter Program:** There are a few changes to the Dedicated Hunter Program in 2014. The

### Maps and boundaries online

Looking for a map and a boundary description for your hunting area? You'll find detailed maps and boundary descriptions at [wildlife.utah.gov/maps](http://wildlife.utah.gov/maps). Permits issued through the big game drawing also include written boundary descriptions.

## A closer look at the rules

This guidebook—along with the *2014 Utah Big Game Field Regulations* guidebook (printing in May 2014)—summarizes the rules and laws that regulate big game hunting in Utah. Although these books are convenient quick-reference documents for Utah big game regulations, they are not all-encompassing resources.

For an in-depth look at the state's big game hunting laws and rules, visit [wildlife.utah.gov/rules](http://wildlife.utah.gov/rules).

You can use the references in this guidebook—such as Utah Admin. Rule R657-5-24 and Utah Code § 23-20-25—to search the Division's website for the detailed statute or rule that underpins the guidebook summary.

If you have questions about a particular rule, call or visit the nearest Division office.

## Who makes the rules?

The Utah Wildlife Board passes the rules and laws summarized in this guidebook.

There are seven board members, and each serves a six-year term. Appointed by the governor, board members are not Division employees.

The Division's director serves as the board's executive secretary but does not have a vote on wildlife policies.

Before board members make changes to wildlife rules, they listen to recommendations from Division biologists. They also receive input from the public and various interest groups via the regional advisory council (RAC) process.

If you have feedback or suggestions for board members, you can find their contact information online at [wildlife.utah.gov](http://wildlife.utah.gov).

## Antlerless big game hunting

Antlerless hunting is the primary tool biologists use to control the size of big game herds.

This year, you can apply online for one or more antlerless permits from May 30–June 20, 2014. Plan on visiting [wildlife.utah.gov](http://wildlife.utah.gov) in late May 2014 to see which permits are available.

Antlerless drawing results will be available by July 9. If any antlerless permits remain available after the drawing, you can purchase them beginning at 8 a.m. on July 17.

The Division will print the *2014 Utah Big Game Field Regulations* guidebook in late May. That guidebook will contain information you can use in the field during both the big game and antlerless hunts.

biggest change is that hunters will not have to complete any service hours in the first year of the program. For details, see the article on page 24.

### Change to spike elk hunting on Monroe Mountain:

After receiving feedback from southern Utah sportsmen, the Utah Wildlife Board has eliminated the any legal weapon hunt for spike elk on Monroe Mountain. The spike elk muzzleloader and archery hunts will still take place.

**New hunts:** The Utah Wildlife Board has approved a few new hunts for 2014, including a bison hunt in the Book Cliffs and a bighorn sheep hunt in central Utah. See the details in the hunt tables that begin on page 32 or visit [wildlife.utah.gov/maps](http://wildlife.utah.gov/maps).

**Boundary changes:** Boundaries have changed for a handful of big game hunts. One notable change is that the Book Cliffs unit has

been split into two units (north and south) for the any legal weapon limited-entry deer hunt. Visit [wildlife.utah.gov/maps](http://wildlife.utah.gov/maps) to see all of the updated hunt maps and boundaries.

**Permits for lifetime license holders:** If you're a lifetime license holder, see the box on page 18 for more information about obtaining your general-season deer permit.

## And keep in mind

**Drawing results:** The results of the big game drawing will be available on or before May 30, 2014. For more information on how to obtain your results, see page 15.

### Field regulations available in May:

The *2014 Utah Big Game Field Regulations Guidebook* will be available from license agents and Division offices by the end of May 2014. It will include the rules for both big game and antlerless hunting.

### Antlerless application information:

The antlerless application period will run from May 30 through June 20. Visit [wildlife.utah.gov](http://wildlife.utah.gov) by the end of May 2014 to find the tools and resources you need to apply for a 2014 antlerless permit.

### Multi-season deer hunting for youth:

In order to hunt all three general deer seasons (archery, muzzleloader and any legal weapon), a youth must obtain a general-season any legal weapon permit. For details, see the article on page 22.

**Hunting license required:** Before you can apply for a 2014 big game permit, bonus point or preference point, you must have a valid Utah hunting or combination license. Please see page 11 for more information.

**Mandatory reporting:** Many big game hunters must report hunt information within 30 calendar days after the end of the hunting season (even if they did not harvest

## Don't lose your hunting and fishing privileges

If you commit a wildlife violation, you could lose the privilege of hunting and fishing in Utah. The Utah Division of Wildlife Resources can suspend the license of anyone who knowingly, intentionally or recklessly violates wildlife laws. Your license can be suspended for a wildlife violation if:

- You are convicted.
- You plead guilty or no contest.
- You enter a plea in abeyance or diversion agreement.

Suspension proceedings are separate and independent from criminal prosecution. The Utah Division of Wildlife Resources may suspend your license privileges whether or not the court considers suspension in your criminal case. You will be notified of any action against your privilege after criminal proceedings conclude. And remember, if your license is suspended in Utah, you may not be permitted to hunt or fish in most other states. (Visit [ianrc.org](http://ianrc.org) to see a map of participating states.)

an animal). To see if you are required to report—and to learn how to report—see the information box on page 20 or visit [wildlife.utah.gov/harvestreporting](http://wildlife.utah.gov/harvestreporting).

**Collecting shed antlers:** If you want to collect shed antlers and horns from Feb. 1 to April 15, you must complete an online course. You will receive a course-completion certificate that you must carry on your person while collecting the antlers and horns. For more information, see page 7.

**Guidebook correction:** If errors are found in this guidebook after it is printed, the Division will correct them in the online copy. Visit [wildlife.utah.gov/guidebooks](http://wildlife.utah.gov/guidebooks) to view digital versions of all the Division's guidebooks.

**Protection from discrimination:** The Division receives federal financial assistance from the U.S. Fish and Wildlife Service. Under Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990, the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, the U.S.

Department of the Interior and its bureaus prohibit discrimination on the basis of race, color, national origin, age, disability or sex. If you believe that you have been discriminated against in any program, activity or facility, or if you desire further information, please write to:

The U.S. Fish and Wildlife Service  
Office for Diversity and Civil Rights Programs—External Programs  
4040 North Fairfax Drive, Suite 130  
Arlington, VA 22203

**Private lands:** The Division cannot guarantee access to any private land. If you plan to hunt—or engage in any other wildlife-related activities—in an area made up of all or mostly private lands, you must obtain WRITTEN permission from the landowner or the landowner's authorized representative. For more information, please see Utah Code §§ 23-20-14 and 23-20-3.5.

**Division funding:** The Division is mostly funded by the sale of hunting and fishing licenses and through federal aid made possible by an excise tax on the sale of firearms and other hunting- and fishing-related equipment.

## 2014 SEASON DATES

### General-season dates

Hunt	Dates
General archery deer	Aug. 16–Sept. 12
General muzzleloader deer	Sept. 24–Oct. 2
General any legal weapon (rifle) deer	Oct. 18–26
General archery any bull elk	Aug. 16–Sept. 12
General archery spike elk	Aug. 16–Sept. 5
General spike and any bull elk	Oct. 4–16
General muzzleloader elk	Oct. 29–Nov. 6
Youth general any bull elk	Sept. 13–21
Youth late season any bull elk	Nov. 29, 2014–Jan. 15, 2015

### Extended archery season dates

You do not need to apply for an additional permit to hunt during the extended archery seasons. As long as you have a general archery deer or elk permit—and you complete the required archery ethics course—you may hunt in the extended archery areas during the seasons listed below. For more information, see the information box on page 17.

Hunt	Dates
Extended archery deer (either sex) in the Ogden, Uintah Basin and Wasatch Front extended archery areas	Sept. 13–Nov. 30
Extended archery elk (either sex) in the Uintah Basin and Wasatch Front extended archery areas	Sept. 13–Dec. 15
Extended archery elk (either sex) in the Sanpete Valley extended archery area	Nov. 8–Dec. 31

### Depredation hunts

When big game animals cause damage to agricultural crops, the Division may hold hunts that are not listed in this guide. These hunts are called depredation hunts. They may occur on short notice, involve small areas and are often limited to only a few hunters.

To apply for the depredation hunter pool, visit [wildlife.utah.gov/depredation](http://wildlife.utah.gov/depredation).

### Sportsman and statewide conservation permit season dates

Long season dates—and the ability to hunt almost every hunting unit in Utah—make sportsman permits the most prized permits offered to Utah's public hunters.

Only Utah residents can apply for sportsman permits. For more information on sportsman permits, see the box on page 15.

Hunt	Dates
Deer and elk on any open unit with archery equipment*	Aug. 16–Aug. 31, 2014
Deer and elk on any open unit with any legal weapon*‡	Sept. 1, 2014–Jan. 15, 2015
Pronghorn and moose on any open unit with any legal weapon	Sept. 1–Nov. 15, 2014
Bighorn sheep, mountain goat and bison on any open unit with any legal weapon*‡	Sept. 1–Dec. 31, 2014
Turkey on any open unit	April 1–May 31, 2014
Black bear on any open unit	During the season dates listed in the <i>2014 Utah Black Bear Guidebook</i> for that unit
Cougar on any open unit or any harvest-objective unit that has been closed after meeting its objective	During the season dates listed in the <i>2014–2015 Utah Cougar Guidebook</i> for that unit

\* You may not take an elk or Rocky Mountain bighorn sheep on the Pilot Mountain hunting unit.

‡ Antelope Island is not an open unit. There are only a couple of permits that authorize hunting on the island. Those permits are listed in the hunt tables on page 36 and page 46, respectively.

### Gathering shed antlers or horns

Utah Admin. Rule R657-5-21

You may gather shed antlers or horns—or parts of shed antlers or horns—statewide, but there is one seasonal requirement.

From Feb. 1 to April 15, 2014, you must have an antler-gathering certificate on your person while collecting shed antlers or horns. You can obtain this free certificate by visiting [wildlife.utah.gov](http://wildlife.utah.gov) and completing an online course. You do not need an antler-gathering certificate at any other time of the year.

**Important:** The antler-gathering certificate does not authorize you to trespass on closed areas or private lands to collect shed antlers or horns.

### Season dates

Online course completion certificate required\* Feb. 1–April 15

\* You must complete this course every year.

### What if I find antlers or horns attached to a skull?

If you find a skull with the antlers or horns still attached, it's possible the animal was poached.

**Do NOT pick up or move the skull, or disturb footprints or other evidence.**

Instead, please take the following steps:

- Take photos from a couple of angles
- Pinpoint the location of the skull (preferably its GPS coordinates)
- Report your find to a Division office
- Provide key details in your report

The Division will send a conservation officer to investigate if the animal was poached. If it's clear that the animal died of natural causes, we may allow you to keep your find.

## CWMU season dates

The Wildlife Board has established the following timeframes for hunting on Cooperative Wildlife Management Units (CWMUs). Hunters should expect to hunt at least five days within these timeframes, although the CWMU operator may allow you to hunt additional days.

Before you apply for a CWMU permit, please visit [wildlife.utah.gov/cwmu](http://wildlife.utah.gov/cwmu). You'll find detailed information about season dates, CWMU rules, hunt success and how to contact the operator. If you draw a permit, you **must** contact the CWMU operator to confirm your season dates.

**Important:** Nonresidents may not apply for CWMU permits in the drawing. They can, however, obtain a permit voucher directly from the CWMU landowner or operator.

For more information on the CWMU program, see [wildlife.utah.gov/cwmu](http://wildlife.utah.gov/cwmu).

Hunt	Dates
Archery buck deer	Aug. 16–Oct. 31
Any legal weapon (rifle) buck deer	Sept. 1–Oct. 31
Muzzleloader buck deer	Sept. 1–Oct. 31
Archery bull elk	Aug. 16–Oct. 31
Any legal weapon (rifle) bull elk	Sept. 1–Oct. 31
Muzzleloader bull elk	Sept. 1–Nov. 11
Buck pronghorn	Sept. 1–Oct. 31
Bull moose	Sept. 1–Oct. 31

Some deer and elk CWMUs have hunting seasons outside of these timeframes. For all CWMU hunt season dates, operator names and contact numbers, visit [wildlife.utah.gov/cwmu](http://wildlife.utah.gov/cwmu).

## LICENSE, PERMIT AND PROGRAM FEES

Please keep in mind that if you participate in the hunt drawing, you will also be charged a \$10 nonrefundable application fee for each species or bonus point you apply for. You will not be charged a permit fee unless you draw a permit.

### License fees

#### Resident license fees

Hunting license (under 14 years of age)*	\$11
Hunting license (14 years of age or older)*	\$26
Combination license*	\$30

#### Nonresident license fees

Hunting license*	\$65
Combination license*	\$80

\* Hunting and combination licenses are valid for 365 days from the day you buy them. Combination licenses allow you to fish, hunt small game and apply for big game and other hunting permits.

### Possible changes to license fees

In August 2013, the Utah Wildlife Board passed a number of proposed changes to Utah's hunting and fishing license fees.

The Utah Legislature will consider those proposed changes when it meets in early 2014. If lawmakers approve changes to the license fees, those changes may go into effect on July 1, 2014.

Please visit [wildlife.utah.gov](http://wildlife.utah.gov) after June 1, 2014 for more information about whether the license fees will be changing.

## BASIC REQUIREMENTS

Are you planning to hunt big game in Utah this year? Before you apply for a permit, make sure you meet Utah's age, hunter education, license and permit requirements.

### Are you old enough?

*Utah Code § 23-19-22*

To hunt big game in Utah, you must be at least 12 years old.

If you're 11 years old—but you'll be 12 by Dec. 31, 2014—you can apply for or obtain a big game permit. Remember, you cannot hunt until you are 12 years old.

If you're 11 to 13 years old, you are eligible to:

- Apply for general-season deer or youth any bull elk permits in the drawing.
- Buy general-season deer, general-season elk and youth any bull elk permits over the counter, if any are available.
- Buy a Cooperative Wildlife Management Unit (CWMU) permit directly from a CWMU operator.

If you're 13 years old—and you'll be 14 by Dec. 31, 2014—you can also apply for limited-entry, once-in-a-lifetime or CWMU permits in the public drawing.

If you're 12 to 17 years old, you can participate in the new Utah Hunter Mentoring Program. For details on the program, see the article on page 23.

All hunters under the age of 16 must be accompanied in the field by a parent, legal guardian or responsible person 21 years of age or older.

### Adults must accompany young hunters

*Utah Code § 23-20-20*

While hunting big game, a person under 16 years old must be accompanied by his or her parent, legal guardian or other responsible person who is 21 years of age or older and who has been approved by the parent or guardian.

The Division encourages adults to be familiar with hunter education guidelines or to complete the hunter education course before accompanying youth into the field.

While in the field, the youth and the adult must remain close enough for the adult to see and provide verbal assistance to the young hunter. Using electronic devices, such as walkie-talkies or cell phones, does not meet this requirement.

### Have you passed hunter education?

*Utah Code § 23-19-11 & Utah Admin. Rule R657-23*

If you were born after Dec. 31, 1965, you must provide proof that you've passed a hunter education course approved by the Division before you can apply for or obtain a hunting license or a big game permit.

#### Proof of hunter education

You can prove that you've completed hunter education by obtaining a hunter education course Certificate of Completion (this certificate is called a "blue card" in Utah) or by using a hunting license from a previous year with your hunter education number noted on the license.

#### How to take hunter education

If you were born after 1965, you must take and successfully complete the state's hunter education course. It's an easy process:

1. Obtain a hunter education registration certificate. Each certificate costs only \$10, and you can obtain it online, at any Division office or from a license agent.
2. Register for a class with your local hunter education instructor. You can see a list of hunter education courses

at [wildlife.utah.gov/huntereducation](http://wildlife.utah.gov/huntereducation).

You can also contact your local Division office or call 801-538-4727.

3. Take your registration certificate to your instructor on the first night of class.
4. Successfully complete the course—your instructor will then validate your certificate. The validated certificate serves as your hunting license.

Both the registration certificate and the corresponding hunting license are valid for 365 days from the date of purchase. **Note:** Your hunting license is not valid until you complete the hunter education course.

With a valid hunting license, you can also apply for or obtain permits in the Division's hunt drawings. In order to maximize your hunting opportunities, you should register for and complete the hunter education course as soon as possible after purchasing your registration certificate.

After completing the course, you will receive your official hunter education card (commonly known as the "blue card") by mail. It will be sent to the address listed on your registration certificate. This card certifies that you passed hunter education.

You should also keep the following in mind:

- Hunters under the age of 16 must be accompanied by an adult while hunting.
- Regardless of when a student graduates, all hunting regulations (such as season dates and bag limits) will apply.
- Students who are planning to hunt out of state should allow enough time for their hunter education card to arrive in the mail.

#### New to Utah?

If you become a Utah resident, and you've completed a hunter education course in another state, province or country, you must obtain a blue card before you can buy a resident hunting license. You can obtain a Utah

blue card at any Division office by providing proof that you've completed a hunter education course approved by the Division. The card costs \$10.

### Do you have a license?

*Utah Code §§ 23-19-1, 23-19-22 and 23-20-3*

You must have a current Utah hunting or combination (hunting and fishing) license before you can apply for any big game permits, bonus points or preference points. Licenses are available at [wildlife.utah.gov](http://wildlife.utah.gov) and from license agents and Division offices.

Be sure to take a quick look at the date on your license before you apply for any permits or points. As long as your license is valid on the date you submit your application, you don't have to purchase a new license for the actual hunt.

For example, assume that your license expires on June 28, 2014. If you apply before that date, you do not have to purchase a new license for your hunt in the fall. All hunting and combination licenses are valid for 365 days from the date of purchase.

### Do you have a permit?

*Utah Admin. Rule R657-62-18*

To participate in any of Utah's big game hunts, you need to obtain a hunting permit. See page 12 to learn about the types of permits available in 2014.

Utah issues most of its big game permits through the big game hunt drawing. To apply for this drawing, visit [wildlife.utah.gov](http://wildlife.utah.gov) between Jan. 30 and March 6, 2014. For additional details and important dates, see *Applying for a big game permit* on page 13.

### Carry your permit

If you are successful in obtaining a big game permit, you must have it on your person while hunting. You cannot alter your license or permit, nor can you sell, transfer or loan either of them to another person.

## TYPES OF BIG GAME PERMITS

Utah Admin. Rule R657-62-18

Before you apply for a Utah big game permit, it's important to know your options. Although residents and nonresidents can apply for many of the same types of permits, there are some differences. This section explains what you can apply for, based on your residency. For a detailed look at all of Utah's big game hunts, see the hunt tables starting on page 32.

### Residents

If you're a Utah resident, you can apply to hunt one of the following:

- Buck deer—premium limited-entry, limited-entry, management buck deer and CWMU hunts
- Bull elk—premium limited-entry, limited-entry and CWMU hunts
- Buck pronghorn—limited-entry and CWMU hunts

In addition to applying for a limited-entry permit for one of those three species, you can also apply for one once-in-a-lifetime permit.

You may draw only one of the above permits each year.

### Nonresidents

If you're a nonresident, you can apply to hunt all of the following:

- Buck deer—premium limited-entry, limited-entry and management buck deer hunts
- Bull elk—premium limited-entry and limited-entry hunts
- Buck pronghorn—limited-entry hunts
- All once-in-a-lifetime species for which you are eligible

You may draw only one of the above permits each year.

**Note:** If you obtain a nonresident big game permit (not an antlerless permit), it also serves as a nonresident fishing license.

### Both residents and nonresidents

There are additional hunting opportunities available to both residents and nonresidents. Even if you apply for one or more of the hunts listed above, you can also apply for one of the following general-season deer permits:

- An archery buck deer permit
- An any legal weapon (rifle) buck deer permit
- A muzzleloader buck deer permit

As you apply for various permits, please remember that you may not obtain more than one buck deer or one bull elk permit each year. For example, if you obtain a limited-entry deer permit, you may not buy a general-season deer permit.

You also may not obtain more than one pronghorn, moose, mountain goat, bison or bighorn sheep permit in the same year.

### Residency

Utah Code 23-13-2(37)

Before you apply for a big game hunt, it's important to know whether you are a legal resident of the state of Utah. See the definition of residency on page 60 to determine whether you are a resident or a nonresident.

## APPLYING FOR A BIG GAME PERMIT

Utah Admin. Rule R657-62-18

To participate in any of Utah's big game hunts, you need a hunting permit. Your first, and possibly only, chance to obtain one of these permits is through the state's big game drawing. Before you can apply, you must also have a valid Utah hunting or combination license. If you don't have one of these licenses, you can buy one online when you apply.

### Important dates

If you are planning to apply for a 2014 big game permit, please be aware of the following dates and deadlines.

#### January 30: Apply online

Starting Jan. 30, 2014, you can visit [wildlife.utah.gov](http://wildlife.utah.gov) to apply for the following items:

- Big game hunting permits
- Bonus points
- Preference points

You can also apply by calling any Division office.

To apply for a resident permit, you must be a resident on the date the permit is purchased. May 30, 2014 is considered the purchase date of the permit and the date by which you must establish residency in the state of Utah. Please

### You may not apply if...

You may not apply for a permit or a bonus point if any of the following conditions apply:

- Your big game hunting privilege has been suspended.
- You're under a waiting period for the species you want to apply for.
- You've already obtained a permit for the once-in-a-lifetime species you want to apply for.
- You drew a limited-entry, premium limited-entry or once-in-a-lifetime permit in 2013, but you didn't submit a harvest report.
- You don't have a hunting or combination license.

see the resident definition on page 60 to learn whether you qualify as a resident.

American Express, Discover, MasterCard and VISA credit or debit cards may be used as payment, and they must be valid through June 2014. You can also use a pre-paid credit card. If you have questions about using a pre-paid credit card, check with your financial institution for more information.

When you submit your application, you'll be charged a \$10 application fee for each species or bonus point you applied for. If you haven't bought your license yet, you'll also be charged a license fee. You will not be charged a permit fee unless you draw a permit.

### March 6: Deadline for permit applications

You must apply online or by phone no later than March 6, 2014. There's an 11 p.m. deadline for online applications and a 5 p.m. deadline for phone applications. To apply,

### How many permits will be available in 2014?

The Utah Wildlife Board will set permit numbers for both the big game and antlerless hunts when it meets in May 2014.

This meeting occurs after the big game application period and before the antlerless application period.

Division biologists will collect and analyze the most recent harvest and population data before making their recommendations to the Wildlife Board.

## Drawing process

Utah Admin. Rule R657-62-18

Big game permits are drawn in the following order:

- First—Buck deer (premium limited-entry, limited-entry, CWMU and management buck deer)
- Second—Bull elk (premium limited-entry, limited-entry and CWMU)
- Third—Buck pronghorn (limited-entry and CWMU)
- Fourth—Once-in-a-lifetime permits
- Fifth—General buck deer (Lifetime License holders)
- Sixth—General buck deer (Dedicated Hunters)
- Seventh—General buck deer (youth)
- Eighth—General buck deer
- Last—Youth any bull elk

Because of the order in which permits are drawn, you won't be included in the drawing for a once-in-a-lifetime permit if you draw any of the following permits:

- Buck deer (limited-entry, premium limited-entry, CWMU or management buck deer)
- Bull elk (limited-entry, premium limited-entry or CWMU)
- Buck pronghorn (limited-entry or CWMU)

## New definition of youth

For years, the Division has had different definitions of youth. The definitions varied, depending on what species the youth were hunting. In December 2013, the Utah Wildlife Board passed a new rule, standardizing the definition of a youth for big game hunting as someone who is 17 years old or younger on July 31.

This year, you will be considered a youth if you are 17 years old or younger by July 31, 2014.

online application and submit a new, correct application before 11 p.m. on March 6, 2014.

You must have your confirmation number, your customer ID and your date of birth in order to withdraw your application. For each new application you submit, you will be charged a \$10 nonrefundable application fee.

If you need help with your online application, please call any Division office before 5 p.m. on March 6. A Division employee will be available to assist you.

## March 20: Deadline for bonus/preference points

If you plan to apply for bonus or preference points only, the deadline is March 20, 2014 at 11 p.m.

Visit [wildlife.utah.gov](http://wildlife.utah.gov) to submit your application, and please remember that you must have a valid Utah hunting or combination license in order to apply for a point.

## March 20: Deadline for withdrawing your application

If you decide not to hunt, you can withdraw your online permit application at no cost until 11 p.m. on March 20, 2014.

Please remember that the \$10 application fee is not refundable.

## May 30: Drawing results available

You'll be emailed your drawing results on or before May 30, 2014. You can also learn your drawing results by visiting [wildlife.utah.gov](http://wildlife.utah.gov) or by calling 1-800-221-0659.

To protect applicants' privacy—and to comply with changes in governmental records access laws—you'll receive access to only your own drawing results.

If you draw a permit, you'll receive your permit in the mail in July.

If your permit requires you to complete an online orientation course, you must first complete the course in order to receive your permit.

Please be aware that if you receive your permit, and then the credit card you used for payment is refused, your permit is not valid.

## July 10: Remaining limited-entry permits available

Any limited-entry permits remaining after the big game drawing will be available beginning July 10, 2014 at 8 a.m. You can buy permits at [wildlife.utah.gov](http://wildlife.utah.gov) and at license agent locations and Division offices.

Remaining permits are available on a first-come, first-served basis. You must have a valid hunting license or a combination license to buy one of these permits.

A license agent list is available at [wildlife.utah.gov/licenseagents](http://wildlife.utah.gov/licenseagents). Before you visit any of the agents, contact them to verify their hours of operation.

## July 10: General-season bull elk permits available

General-season bull elk permits may be obtained beginning at 8 a.m. on July 10, 2014 at [wildlife.utah.gov](http://wildlife.utah.gov) and from license agents and Division offices. General-season bull elk permits (muzzleloader and any legal weapon) are available on a first-come, first-served basis. General-season bull elk archery permits are unlimited. You must have a valid hunting

license or a combination license to buy a general-season bull elk permit.

You can see a list of license agents at [wildlife.utah.gov/licenseagents](http://wildlife.utah.gov/licenseagents). Before you visit any of the agents, contact them to verify their hours of operation.

## July 15: Remaining general-season buck deer permits available (any legal weapon, archery and muzzle-loader)

Any general-season buck deer permits remaining after the drawing may be obtained beginning at 8 a.m. on July 15, 2014 at [wildlife.utah.gov](http://wildlife.utah.gov) and from license agents and Division offices. Remaining permits are available on a first-come, first-served basis. You

## 2015 sportsman permits

Utah Admin. Rule R657-41, R657-42 and R657-62-24

Long season dates—and the ability to hunt almost every hunting unit in Utah—make sportsman permits the most prized permits offered to Utah's public hunters.

Only Utah residents can apply for sportsman permits. One sportsman permit is usually offered each year for each of the following species: buck deer, buck pronghorn, bull elk, bull moose, desert bighorn sheep (ram), Rocky Mountain bighorn sheep (ram), hunter's choice bison (excluding Antelope Island) and hunter's choice mountain goat. Sportsman permits are also offered for black bear, cougar and wild turkey.

The sportsman's permit drawing for 2015 will occur near the end of 2014. For more information about these permits, and the few restrictions that apply, please visit [wildlife.utah.gov](http://wildlife.utah.gov) in early November 2014.

## Applying as a group

*Utah Admin. Rule R657-62-7 and R657-62-18*

Instead of applying as an individual hunter, you and your friends and family can apply together as a group.

Both residents and nonresidents can apply together. However, if you're a Utah resident and you decide to apply with a nonresident, make sure nonresident permits are available for each hunt your group is applying for. If nonresident permits are not available for a hunt your group is applying for, the nonresident and everyone else in the group—including the Utah residents—will not be allowed to draw for that hunt unit.

Up to **four hunters** can apply together for limited-entry, premium limited-entry, general-season deer and resident CWMU deer, elk or pronghorn permits. Group applications are not accepted for management buck deer hunts.

If your group is successful in the drawing, all of the applicants in your group who have valid applications will receive a permit.

**Note:** Young hunters can apply as part of a youth-only group. Please see page 22 for more information about Utah's youth hunting opportunities.

must have a valid hunting license or a combination license to buy one of these permits.

A license agent list is available at [wildlife.utah.gov/licenseagents](http://wildlife.utah.gov/licenseagents). Before you visit any of the agents, contact them to verify their hours of operation.

### July 15: Youth archery deer permits available

Youth archery deer permits may be obtained beginning at 8 a.m. on July 15, 2014 at [wildlife.utah.gov](http://wildlife.utah.gov) and from license agents and Division offices. You must have a valid hunting

license or a combination license to buy one of these permits.

A license agent list is available at [wildlife.utah.gov/licenseagents](http://wildlife.utah.gov/licenseagents). Before you visit any of the agents, contact them to verify their hours of operation.

## Waiting periods

Waiting periods keep successful applicants out of the drawing for a few years and give other hunters a better chance at drawing a permit.

### Buck deer, buck pronghorn and bull elk permits

*Utah Admin. Rule R657-62-18*

The waiting period for buck deer and buck pronghorn is two years. The bull elk waiting period is five years. Waiting periods do not apply to general-season permits.

### Once-in-a-lifetime permits

*Utah Admin. Rule R657-62-18*

Bull moose, bison, Rocky Mountain bighorn sheep, desert bighorn sheep and mountain goat permits are once-in-a-lifetime permits. If you obtain a once-in-a-lifetime permit for a particular species, such as a bull moose, you may not apply for that permit again in the drawing.

You can still apply for other once-in-a-lifetime species that you haven't drawn a permit for.

Also, if you've been convicted of unlawfully taking a once-in-a-lifetime species, you may never apply for or obtain a permit for that species again.

### Permits obtained after the drawing

*Utah Admin. Rule R657-62-15*

If you're under a waiting period for a certain species, you can still obtain any permit that remains for that species after the drawing,

but your waiting period will start all over again.

For example, if you have two years left on your bull elk waiting period, and you buy a limited-entry bull elk permit that remains available after the drawing, you'll begin a new five-year waiting period that will prevent you from applying for a limited-entry bull elk permit for the next five years.

If you're not already under a waiting period—and you obtain a limited-entry or once-in-a-lifetime permit that remains available after the drawing—you will lose your bonus points for that species and incur a waiting period.

### CWMU, conservation, convention and landowner permits

*Utah Admin. Rule R657-62-18*

If you obtain a CWMU, conservation, convention or landowner permit from a private individual or organization—for deer, elk or pronghorn—you won't be subject to a waiting period.

The rules regarding CWMU and once-in-a-lifetime permits are as follows:

- If you have obtained a once-in-a-lifetime permit in the public drawing in the past, you may buy a once-in-a-lifetime permit from a landowner or a CWMU operator.
- If you have not obtained a once-in-a-lifetime permit in the public drawing—and you buy a once-in-a-lifetime permit from a landowner or a CWMU operator—you may not obtain a permit in the public drawing for that species in the future.
- If you have obtained a once-in-a-lifetime permit in the wildlife convention drawing, you may not apply for that species in any other public drawing.

### Bonus points

*Utah Admin. Rule R657-62-8*

Utah's bonus point system has been put in

## Extended archery hunts

*Utah Admin. Rule R657-5-23*

If you obtain a general-season archery deer or elk permit in 2014—and you complete the online extended archery ethics course—you may also hunt any of Utah's extended archery areas during the extended archery seasons.

To see maps and boundaries for all of the extended archery areas, visit [wildlife.utah.gov/maps](http://wildlife.utah.gov/maps).

The online archery ethics course is an annual requirement for archers who want to hunt the extended areas and seasons. To take the course, visit [wildlife.utah.gov/extendedarchery](http://wildlife.utah.gov/extendedarchery) before the extended seasons begin. After you successfully complete the course, print your completion certificate and keep it with you while hunting.

You can see a list of all extended archery season dates on page 6.

place to increase your chance of drawing a big game permit.

Every time you apply for a limited-entry, premium limited-entry, management buck deer, CWMU or once-in-a-lifetime permit, but you don't draw one, you receive a bonus point for that species.

Applying for a general buck deer permit will not affect your ability to obtain a bonus point for limited-entry deer. If you draw a general buck deer permit, you'll still receive a bonus point if you are unsuccessful in drawing a limited-entry, premium limited-entry or CWMU deer permit.

### Applying for a bonus point

Even if you're not going to hunt in 2014, you can still receive a bonus point by applying for one. To apply for a bonus point, select

## Lifetime license holders: Obtaining your permit in 2014

Utah Admin. Rule R657-17

Lifetime licenses were last sold in Utah in 1994. If you are one of the lucky hunters who has a lifetime license, the Division wants you to obtain your deer permit as quickly and smoothly as possible:

- To select the unit you want to hunt, you'll need to complete the online lifetime license questionnaire. The questionnaire is located in the 2014 big game application. Visit [wildlife.utah.gov](http://wildlife.utah.gov) between Jan. 30 and March 6, 2014 to access the application, complete the questionnaire and select a unit.
- If you do not complete the lifetime license questionnaire by March 6,

the appropriate bonus point code on your application and pay the \$10 application fee. The 2014 bonus point application period is Jan. 30–March 20, 2014.

Because you apply for bonus points by species instead of by hunt, you may apply for a limited-entry, premium limited-entry, management buck deer or once-in-a-lifetime bonus point, even if the specific hunt the bonus point is being awarded for isn't being offered in 2014.

To apply for a bonus point, you must be eligible for the hunt the bonus point will be awarded for. For example, if you're eligible for a limited-entry buck deer permit, you're eligible to apply for a limited-entry buck deer bonus point.

### Residents

If you're a resident, you may apply for one of the following:

2014, you will automatically receive a permit for the unit you selected in 2013.

- If you did not select a unit in 2013, and you do not complete your lifetime license questionnaire in 2014, you may obtain a remaining permit at a Division office, starting July 15.
- If your address changes, please notify the Division immediately.
- If you are already enrolled in the Dedicated Hunter program, you are not required to complete your lifetime license questionnaire.
- If you are planning to apply for the Dedicated Hunter program in 2014, you must complete your lifetime license questionnaire.

For more information about lifetime licenses, visit [wildlife.utah.gov/lifetime](http://wildlife.utah.gov/lifetime).

- One limited-entry permit and one once-in-a-lifetime permit
- One limited-entry permit and one once-in-a-lifetime bonus point
- One limited-entry bonus point and one once-in-a-lifetime permit
- One limited-entry bonus point and one once-in-a-lifetime bonus point

You may NOT apply for the following:

- A permit and a bonus point for the same species
- More than one limited-entry bonus point or more than one premium limited-entry bonus point
- More than one once-in-a-lifetime bonus point

### Nonresidents

If you're a nonresident, you may apply for permits or bonus points for all limited-entry and once-in-a-lifetime species. However, you may not apply for a permit and a bonus point for the same species.

Please remember that you may draw only one limited-entry or once-in-a-lifetime permit each year.

## How your bonus points work

For detailed information on how your bonus points work in the drawing, visit [wildlife.utah.gov/huntingpermits](http://wildlife.utah.gov/huntingpermits).

## Preference points

Utah Admin. Rule R657-62-9

Utah's preference point system gives hunters who don't draw a general-season buck deer permit a better chance at drawing one the following year.

Each time you apply for one of these permits and don't draw one, you'll receive a preference point. Please keep in mind that preference points are given for a species—deer, in this case—and not for a particular hunting unit.

## Applying for a preference point

Even if you won't be hunting general-season buck deer in 2014, you can still apply for a preference point by selecting code GDR on your application and paying a \$10 application fee. The application period is Jan. 30–March 20, 2014.

## Draw a permit, receive a preference point

If you hunt general-season buck deer, it's worth your time to mark more than just your first hunt choice when applying for a permit.

If you aren't successful in drawing your first choice—but you draw your second, third, fourth or fifth choice—you will still receive a preference point.

For example, if you choose the Monroe unit as your first choice and the Cache unit as your second choice, and then you draw a permit for

## Obtain permission to hunt private property

If you want to hunt on private property, you must obtain written permission from the landowner before you can hunt. Ideally, you should have permission before you even apply for a permit.

If you obtain written permission in advance, you know you'll be able to use the permit if you draw it.

The Division cannot guarantee access to private land, and the agency does not have the names of landowners who own property where hunts occur.

the Cache unit (your second choice), you will receive a preference point.

If you draw your first choice, you will not receive a preference point.

## How your preference points work in the drawing

For detailed information on how your preference points work in the drawing, visit [wildlife.utah.gov/huntingpermits](http://wildlife.utah.gov/huntingpermits).

## Surrendering a permit

Utah Code § 23-19-38 and Utah Admin. Rule R657-42-4

What happens if you obtain a permit and then realize you won't be able to use it?

As long as your season hasn't started, you should consider surrendering the permit. It's an easy process, and it's important if you want to keep your bonus points or preference points and avoid a waiting period.

Depending on the type of permit you have, there are different rules for surrendering it. For more information on surrendering a permit, please see [wildlife.utah.gov/refund](http://wildlife.utah.gov/refund).

## Mandatory reporting

If you obtain a premium limited-entry, limited-entry, management buck deer, CWMU, conservation, sportsman, convention or once-in-a-lifetime permit, you must complete a harvest survey questionnaire within 30 days after your hunt ends. This information is required even if you didn't harvest an animal.

If you received a tooth packet—and you harvested an animal—this is an ideal time to return your tooth packet. Returning your tooth packet does **not** fulfill the harvest survey requirement.

You can report harvest information about your hunt online by visiting [wildlife.utah.gov/harvestreporting](http://wildlife.utah.gov/harvestreporting) or by calling 1-800-221-0659.

Reporting your hunt information is important. If you don't report your hunt information within 30 days of the end of the hunt, you won't be allowed to apply for once-in-a-lifetime, premium limited-entry, limited-entry, management buck deer or CWMU permits, or for bonus points.

If you didn't submit your 2013 harvest survey questionnaire by the deadline, you can restore your eligibility to apply for a 2014 permit by paying a \$50 late fee. For more information, call 1-800-221-0659.

## Individuals

### How permit surrender affects bonus points

If you draw a limited-entry, premium limited-entry or once-in-a-lifetime permit—and then you decide to surrender it—it's a good idea to return it to the Division before the season opens.

If you surrender it before the start of the season, you'll get all of your bonus points back, and you'll receive a bonus point for that year.

You'll also be eligible to purchase a reallocated permit or any other available permit you're eligible to obtain.

### How permit surrender affects preference points

If you obtain a general-season buck deer permit, and then you find that you won't be able to use it, you can get your preference points back if you surrender the permit before the season begins. You'll also receive a preference point for that year and be eligible to purchase reallocated permits or permits that are still available after the drawing.

### How permit surrender affects waiting periods

If you surrender your permit before the season begins, the waiting period will be waived. General-season permits are not subject to waiting periods.

## Groups

### How permit surrender affects bonus points

If you obtain a permit through a group application—and then you decide to surrender it—you will not have your bonus points reinstated or earn a new point unless your entire group meets the following conditions:

- All group members must surrender their permits
  - Permit surrenders must occur more than 30 days before the start of the season
- Members of the group may not surrender their permits individually unless the surrender occurs because of:
- Activation in the military
  - An injury that will prevent the individual from hunting
  - Death

For more information on surrendering a permit, please see [wildlife.utah.gov/refund](http://wildlife.utah.gov/refund).

### How permit surrender affects preference points

If you obtain a permit through a group application—and then you decide to surrender it—you will not have your preference points reinstated or earn a new point unless all group members surrender their permits before the season begins.

Members of the group may not surrender their permits individually unless the surrender occurs because of:

- Activation in the military
- An injury that will prevent the individual from hunting
- Death

### How permit surrender affects waiting periods

If members of a group surrender their permits before the season begins, the waiting period will be waived. General-season permits are not subject to waiting periods.

## Dedicated hunters

If you're enrolled in the Dedicated Hunter program, and you decide to surrender your permit, you must return it to the Division before Aug. 16, 2014 (the day the general-season archery deer hunt opens).

## Private landowner and CWMU permit holders

If you obtain a limited-entry landowner permit or a CWMU permit, you can surrender it.

Limited-entry private landowner permits must be surrendered before the season the permit was issued for opens.

To surrender a CWMU permit, there are two options. If possible, you should surrender your CWMU permit before the CWMU season opening dates listed on page 8.

To surrender your permit after the CWMU season has started, you and the person who

issued the permit to you (the CWMU operator or the landowner-association operator) must sign an affidavit stating that you did not hunt with the permit. Both of the signatures must be notarized.

After the signatures are notarized, submit the affidavit and the unused permit to the Division.

## Permit refunds and exchanges

*Utah Code § 23-19-38 & Utah Admin. Rule R657-42*

### Obtaining a refund

The Division rarely issues refunds for permits, licenses or certificates of registration, but there are some exceptions. To see if you're eligible for a refund, visit [wildlife.utah.gov/refund](http://wildlife.utah.gov/refund).

### Permit exchanges

You may exchange your general-season deer or elk permit for one that's available in another unit, but it must be for the same species and sex. For example, you cannot exchange a buck deer permit for a bull elk permit. The exchange must occur before the season opening date on the permit you originally obtained.

You must also pay a \$10 handling fee to exchange a permit.

## Duplicate licenses

*Utah Code § 23-19-10 & Utah Admin. Rule R657-5-5*

If your unexpired license or permit is destroyed, lost or stolen, you can obtain a duplicate from a Division office or a license agent for \$10 or half of the price of the original license or permit, whichever is less.

To obtain a duplicate limited-entry or once-in-a-lifetime permit, you must visit a Division office.

If you drew a license or permit, but you never received it, the Division may waive the fee that you would normally have to pay to get a duplicate.

## OPPORTUNITIES FOR YOUNG HUNTERS

In 2014, there will be at least one big change to youth hunting opportunities.

### More archery permits for youth

If you're a youth who enjoys bowhunting, you will likely be able to hunt during the 2014 archery buck deer season. The Utah Wildlife Board has approved more archery permits for youth who will be 17 years of age or younger on July 31, 2014.

An additional 20 percent of each unit's total number of archery permits will be available to youth as general-season archery deer permits. For example, if the Wildlife Board approves 500 general-season archery permits for a particular unit, another 100 archery permits will be available to youth for over-the-counter purchase.

This new opportunity is in addition to the 20 percent of all buck deer permits that are already allocated to youth in the drawing.

Starting at 8 a.m. on July 15, these permits will be available at [wildlife.utah.gov](http://wildlife.utah.gov) and from license agents and Division offices.

### Hunting multiple seasons

If you will be 17 years of age or younger on July 31, you might have some extra hunting waiting for you this fall. It all depends on what type of general-season deer permit you obtain.

#### Any legal weapon permits

If you obtain a general-season any legal weapon deer permit, you may use archery tackle to archery hunt the unit listed on your permit from Aug. 16–Sept. 12, 2014.

If you haven't harvested a deer by the time the archery season ends, you may hunt the same unit during the general muzzleloader and general any legal weapon deer seasons, using the appropriate equipment.

When those seasons end—if you still haven't harvested—you may use archery tackle to hunt in the extended archery areas after completing the archery ethics course available at [wildlife.utah.gov/extendedarchery](http://wildlife.utah.gov/extendedarchery). For more information on the extended archery hunt, see the box on page 17.

#### Muzzleloader permits

If you obtain a general-season muzzleloader deer permit, you may hunt *only* during the general muzzleloader season. You must use muzzleloader equipment and hunt the unit listed on your permit. You may not hunt during the general archery or any legal weapon seasons.

#### Archery permits

If you obtain a general-season archery deer permit, you may hunt *only* during the general archery deer season and the extended archery deer season.

During the general season, you may hunt in the unit printed on your permit.

During the extended season, you may hunt in the extended archery areas after completing the archery ethics course available at [wildlife.utah.gov/extendedarchery](http://wildlife.utah.gov/extendedarchery). For more information on the extended archery hunt, see the box on page 17.

You may not hunt during the general muzzleloader or general any legal weapon seasons.

### Youth-only groups

If you will be 17 years of age or younger on July 31, 2014, you can participate in the youth drawing for general-season deer permits. You can submit an application as an individual hunter or as a member of a youth-only group.

### Utah Hunter Mentoring Program

*Utah Admin. Rule R657-67*

Over the years, the Division has received many requests from parents and grandparents who wish to share their big game hunting permits with younger relatives.

In 2013, the Utah Legislature passed a new law that addressed these requests by launching a new hunter mentoring program.

The program allows eligible adults to share their big game hunting permits with eligible minors. Acting as a mentor, the adult is required to accompany the youth into the field.

Here's a quick look at how the program works:

- All big game permits are eligible for sharing.
- To qualify for the program, a minor must be a Utah resident between the

ages of 12 and 17; possess a Utah Hunter Education number; and be either the child, stepchild, grandchild or legal ward of the mentor — or be suffering from a life-threatening medical condition.

- The mentor may be either a resident or a nonresident, but must be at least 21 years of age and able to legally possess a firearm.
- The mentor may not receive any form of compensation for participating in the program.
- Both the mentor and the participating minor can carry a firearm in the field. However, only one animal may be taken per permit.

For detailed program information, visit [wildlife.utah.gov/mentoring](http://wildlife.utah.gov/mentoring).

#### No adults allowed

Up to four young hunters can apply to hunt together in a youth-only group. This change allows youth to hunt buck deer in the same unit with siblings, friends and cousins.

When you apply in a youth-only group for the general-season deer hunt, all hunters must meet the age requirement or the application will not be processed with the other youth applications.

For more information, please visit [wildlife.utah.gov/huntingpermits](http://wildlife.utah.gov/huntingpermits).

#### Youth elk permits

Up to two youths may apply together for youth any bull elk permits, but both individuals must be 17 years of age or younger on July 31, 2014. For information about season dates, see page 6.

## DEDICATED HUNTER PROGRAM

Utah Admin. Rule R657-38

Enjoy more hunting opportunities and help Utah wildlife.

Want to spend more time hunting deer in Utah? You should consider applying for the Dedicated Hunter Program.

The Division holds an annual drawing to fill open spots in the three-year program.

If your name is drawn—and you meet the program requirements—you can expect great hunting opportunities and a chance to help Utah wildlife.

### Benefits and requirements

As a Dedicated Hunter, you have the opportunity to obtain a deer permit every year for three years. Even better, you can hunt all three seasons—archery, muzzleloader and any legal weapon (rifle)—with your Dedicated Hunter permit. In exchange for this opportunity, you agree to complete the following requirements:

- Participate in all three years of the program
- Pass an online wildlife conservation and ethics course
- Complete a minimum of 32 service hours on Division-approved wildlife conservation projects during the three-year period
- Harvest only two deer during your three-year enrollment period

To learn more about the program, please visit [wildlife.utah.gov/dh](http://wildlife.utah.gov/dh).

### New this year

Starting in 2014, Dedicated Hunters will no longer be required to complete any service hours during their first year in the program. This change will relieve some of the first-year pressure to find and complete projects between the end of May and the beginning of the archery season. For details, please visit [wildlife.utah.gov/dh](http://wildlife.utah.gov/dh).

### Joining the program

Online applications for the Dedicated Hunter Program will be accepted from Jan. 30–March 6, 2014 (as part of the 2014 big game application process). You may apply as an individual or in groups of up to four hunters.

Results of the drawing will be available by May 30, 2014.

To apply for the program, please visit [wildlife.utah.gov/dh](http://wildlife.utah.gov/dh) and click “How to apply” in the menu at the right of the page. The links will walk you through the program’s online orientation course and lead you to the online application.

The orientation is easy, but you must complete it before you will be able to apply for the program. Do not wait until the last minute, or you might not have time to complete the course and submit your application before the deadline.

There is a \$10 application fee to apply for the program. If your application is drawn, you will be charged the appropriate program fee. (Dedicated Hunter program fees are listed with license and permit fees on page 8.)

### Dedicated Hunter preference points

If you apply for the Dedicated Hunter Program in 2014, and you aren’t selected to participate, you’ll receive a Dedicated Hunter preference point. These preference points give applicants a better chance at getting into the program in future years.

If you don’t want to join the program this year—but you’d like a better chance at participating in the future—you can choose to apply for a Dedicated Hunter preference point.

### CWMU HUNTS

Utah Admin. Rule R657-37

Utah's Cooperative Wildlife Management Unit (CWMU) program provides landowners with an economic incentive to keep their private range and forest lands as productive wildlife habitat.

The landowners receive vouchers for hunting permits, which they can sell for profit, as long as they also allow a percentage of public hunters on their lands.

If you're a Utah resident, there are two ways to obtain a CWMU permit: you can apply for one in the state's big game drawing, or

you can obtain a permit voucher from the landowner or operator of the CWMU you want to hunt.

If you're not a resident of Utah, you cannot apply for a CWMU permit in the public drawing. You can, however, obtain a permit voucher directly from the CWMU landowner or operator.

For more information on Utah's CWMU program, including details about individual properties, please visit [wildlife.utah.gov/cwmu](http://wildlife.utah.gov/cwmu).

## DEFINITIONS

Utah Code § 23-13-2 and Utah Admin. Rule R657-5-2 & R657-37

The following definitions explain terms used in this application guidebook. The 2014 *Utah Big Game Field Regulations* guidebook (available in late May 2014) will contain additional definitions that focus on hunting, harvesting and possessing big game. For a complete list of big game definitions, visit [wildlife.utah.gov/rules](http://wildlife.utah.gov/rules), click Wildlife administrative rules and see R657-5-2.

**Any legal weapon** means any weapon listed at [wildlife.utah.gov/rules/R657-05.php](http://wildlife.utah.gov/rules/R657-05.php) (see R657-5-8 through R657-5-12) or in the Firearms and Archery Equipment section of the 2014 *Utah Big Game Field Regulations* guidebook (available in late May 2014).

**Big game** means species of hoofed protected wildlife.

**Buck deer** means a deer with antlers longer than five inches.

**Buck pronghorn** means a pronghorn with horns longer than five inches.

**Bull elk** means an elk with antlers longer than five inches.

**Bull moose** means a moose with antlers longer than its ears.

**Certificate of registration** means a document issued under any rule or proclamation of the Wildlife Board granting authority to engage in activities not covered by a license, permit or tag.

**CWMU** means Cooperative Wildlife Management Unit.

**Draw lock** means a mechanical device used to hold and support the draw weight of a conventional or compound bow at any increment of draw, until released by the archer using a trigger mechanism and safety attached to the device.

**Hunter's choice** means either sex may be taken.

**Hunting** means to take or pursue a reptile, amphibian, bird or mammal by any means.

**Limited-entry hunt** means any hunt that is identified as limited-entry and listed in the hunt table of this guidebook, and that does not include general or once-in-a-lifetime hunts.

**Limited-entry permit** means any permit obtained for a limited-entry hunt by any means, including conservation permits, wildlife convention permits, sportsman permits, CWMU permits and limited-entry landowner permits.

**Nonresident** means a person who does not qualify as a resident.

**Once-in-a-lifetime hunt** means any hunt that is identified as once-in-a-lifetime and listed in the hunt table of this guidebook, and that does not include general or limited-entry hunts.

**Once-in-a-lifetime permit** means any permit obtained for a once-in-a-lifetime hunt by any means, including conservation permits, wildlife convention permits, sportsman permits, CWMU permits and limited-entry landowner permits.

**Permit** means a document, including a stamp, which grants authority to engage in specific activities under the Wildlife Resources

Code or a rule or proclamation of the Wildlife Board.

**Possession** means actual or constructive possession.

**Resident** means a person who has a fixed permanent home and principal establishment in Utah for six consecutive months immediately preceding the purchase of a license or permit, AND DOES NOT claim residency for hunting, fishing or trapping in any other state or country.

An individual retains Utah residency if he or she leaves Utah to serve in the armed forces of the United States, or for religious or educational purposes, and does NOT claim residency for hunting, fishing or trapping in any other state or country.

Members of the armed forces of the United States and dependents are residents as of the date the member reports for duty under assigned orders in Utah, if:

- the member is NOT on temporary duty in Utah and does NOT claim residency for hunting, fishing or trapping in any other state or country.
- the member presents a copy of his or her assignment orders to a Division office to verify the member's qualification as a resident.

A nonresident attending an institution of higher learning in Utah as a full-time student may qualify as a resident if the student has been present in Utah for 60 consecutive days immediately preceding the purchase of the license or permit and does NOT claim residency for hunting, fishing or trapping in any other state or country.

A Utah resident license or permit is invalid if a resident license for hunting, fishing or trapping is purchased in any other state or country.

An individual DOES NOT qualify as a

resident if he or she is an absentee landowner paying property tax on land in Utah.

**Ram** means a male desert bighorn sheep or Rocky Mountain bighorn sheep.

**Shed antlers** are antlers that a big game animal has dropped naturally as part of its annual lifecycle.

**Shed horns** are the sheaths from the horns of a pronghorn that the animal has dropped naturally as part of its annual lifecycle. Pronghorn are the only big game animals that shed their horns.

**Sell** means to offer or possess for sale, barter, exchange or trade, or the act of selling, bartering, exchanging or trading.

**Spike bull** means a bull elk which has at least one antler beam with no branching above the ears. Branched means a projection on an antler longer than one inch, measured from its base to its tip.

**Tag** means a card, label or other identification device issued for attachment to the carcass of protected wildlife.

**Take** means to:

- hunt, pursue, harass, catch, capture, possess, angle, seine, trap or kill any protected wildlife; or
- attempt any of the above actions.
