

**NOTICE OF EMERGENCY CHANGES
TO THE 2015 UTAH FISHING PROCLAMATION
OF THE WILDLIFE BOARD FOR THE TAKING
OF FISH AND CRAYFISH**

I, Gregory Sheehan, by authority granted in Section 23-14-8 of the Wildlife Resources code of Utah declare an emergency amendment to the 2015 Utah Fishing Guidebook. The following has been amended:

Silver Lake Flat Reservoir (Utah County):

- INCREASE the daily bag and possession limit to eight (8) fish

This change is effective May 15, 2015 and will remain in effect until January 1, 2016.

Silver Lake Flat Reservoir will be drained beginning July 1, 2015 to make repairs to the outlet works, upgrade Sliver Lake Dam to meet dam safety and seismic standards and install a new spillway. The reservoir will not be re-filled until construction is completed in the fall of 2015. Limits are being temporarily liberalized to allow anglers to harvest fish that would otherwise be lost.
