

**NOTICE OF EMERGENCY CHANGES  
TO THE 2015 UTAH FISHING PROCLAMATION  
OF THE WILDLIFE BOARD FOR THE TAKING  
OF FISH AND CRAYFISH**

I, Gregory Sheehan, by authority granted in Section 23-14-8 of the Wildlife Resources Code of Utah declare an emergency amendment to the 2015 Utah Fishing Guidebook. The following has been amended:

**Red Fleet Reservoir (Uintah County)**

The daily bag limit has been raised to:

- 12 Largemouth or Smallmouth Bass
- Eight (8) Rainbow or Brown Trout
- No limit on Bluegill

This change is effective September 10, 2015 and will remain in effect until November 1, 2015.

Red Fleet Reservoir will be treated with rotenone to remove illegally stocked Walleye and Smallmouth Bass. It will be restocked with sterile Walleye and Rainbow Trout along with Wipers, Tiger Trout, Black Crappie, Mountain Whitefish, and Yellow Perch in 2016.

All other rules established in the 2015 Utah Fishing Guidebook remain in effect.
