

**NOTICE OF EMERGENCY CHANGE
TO THE 2016 UTAH FISHING PROCLAMATION
OF THE WILDLIFE BOARD FOR THE TAKING
OF FISH AND CRAYFISH**

I, Gregory Sheehan, by authority granted in Section 23-14-8 of the Wildlife Resources code of Utah declare an emergency amendment to the 2016 Utah Fishing Guidebook. The following has been amended:

Tibble Fork Reservoir (Utah County):

- INCREASE the daily limit to eight (8) fish

This change is effective immediately and will remain in effect through June 30, 2016.

Tibble Fork Reservoir will be drained beginning as early as April 1, 2016 to make repairs to the outlet works, upgrade Tibble Fork Dam to meet dam safety and seismic standards, and increase water storage. Limits are being temporarily liberalized to allow anglers to harvest fish that would otherwise be lost.
